* Prior to registering for PSY 3010, contact Debra Spielmaker (debra.spielmaker@usu.edu) to have the PSY 3010 registration block removed. If you completed this course as an undergraduate, you committee may allow you to opt out and take another elective. If you take PSY 3010, consider taking an Independent Study course (ASTE 6900) as an elective for 2 credits to complete your degree with 30 credits.
